Re: *United States v. Rafat Amirov, et al.*,
S5 22 Cr. 438 (CM)

Dear Judge McMahon:

The Government understands that the Court has adjourned the pretrial conference scheduled for January 9, 2024 to January 24, 2024 at 2:00 p.m., to ensure that a court-approved interpreter will be available for the conference. The Government, with the consent of defense counsel, respectfully requests that time be excluded under the Speedy Trial Act from the date of this letter through January 24, 2024. The ends of justice served by the requested exclusion outweigh the best interests of the public and the defendant in a speedy trial because it will facilitate the continued provision and review of discovery, resolution to the clearance process, and ongoing discussions between the parties. See 18 U.S.C. § 3161(h)(7).

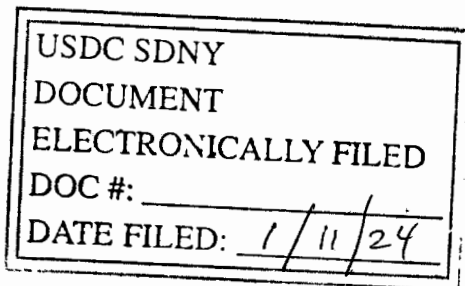

Case is adj to JANUARY 24, 2024,
At 2pm - time is excluded
through Jan 24, in the interest
of justice, to facilitate the
REVIEW of discovery, clearance
process, and discussions between
the parties.

Colleen McMahon

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
